

Initial Visit

Initial Visit Information

On your initial visit, please be prepared to share your medical history with our physicians and bring the following items:

- Your insurance card
- Your referral, if required by your insurance company
- List of current medications (prescription or over-the-counter) including:
 - Name
 - Dosage
 - Frequency
- List of allergies you have to medications or foods

Please download and complete the patient forms that are appropriate for you and bring them with you.
